ABOUT US

Aquatic Pools & Fountains LLC is a leading provider of comprehensive services related to residential and commercial swimming pools and fountains. We are a trusted wholesale dealer of quality accessories and equipment for modern pools and fountains. Perfectly designed and aesthetically appealing swimming pools and fountains can magically transform the overall ambiance of any property, be it a villa, apartment complex or hotel. As the leading supplier of the whole range of top-quality, functionally superior accessories for state-of-the-art pools and fountains, we have partnered with leading global brands in the pools & fountains segment.

We are experts in outdoor & indoor fountains including floating, musical, jet and other fountains. Our services are reliable, and our technicians are highly skilled and experienced. We offer best-in-class accessories, along with superb installation and maintenance services at competitive rates in the UAE. By combining cutting-edge engineering and extensive technical knowledge we can offer our customers with products such as swimming pool Filtration System, Outdoor Fountains, Indoor Fountains, Floating Fountains, Musical Fountains, Jet Fountains, Nozzles, Garden Lights, Underwater Lights etc. Just give us a call, our customer care team will offer you the best advice.

WHO WE ARE OUR VISION

We are leaders in providing unparalleled quality engineering solutions and services to our clients. We are best known for our water analysis technologies and services that help safeguard water for everyone. All of our pool products are custom designed to the highest standards and constructed using only the highest quality materials.

OUR MISSION

We offer top-notch supplies and accessories for swimming pools. Our objective is to change how people use water for enjoyment and health advantages by developing novel and sustainable solutions. We provide all of the aforementioned services using a combination of technology, the expertise of the aquatic sector, and a team that consistently produces excellent results.
